

October Update ◀

No Place Left - What's It Going To Take? As a part of New Life Global Ministries, we work with a global coalition of believers and organizations to see *no place left* without the gospel. What does that mean? Based on Paul's declaration in Romans that there was "no place left" in Asia that hadn't heard the gospel,

we labor to see *no place left* in the world that hasn't heard the gospel. So how did Paul achieve this? He made disciples that made more disciples and planted churches that planted more churches. It was way bigger than just him because God was way bigger than just Asia. In the same way, THE MISSION that Jesus has

given his followers (*no place left*) is way bigger than just ourselves. God is very clearly teaching us how we must completely depend on the Holy Spirit to make multiplying disciples that will allow us to see *no place left*.

So what does that mean for us? We need your help! There are still over 3,000 unreached people groups in the world and hundreds of thousands of people around us right now that need the life changing good news of Jesus. If you are willing to be trained and join us in working toward *no place left*, contact us through call, text, email, or social media and we will start training asap!

Upcoming Journeys ◀

La Paz, Bolivia. Ryan and Rick Ware will be taking a journey November 8-15 to **ENCOURAGE** those that we've worked with in months passed. We will encourage the

"We exist to help equip, encourage, and empower disciples to make more multiplying disciples of Jesus — here, there, and everywhere!"

Family Update ◀

This month we got to celebrate Abigail's 25th birthday and sweet Adaline's third month of life!

Our super sweet baby is growing so fast. She is getting really good at playing with her favorite toys and learning to roll over. One of the coolest things that she is starting to enjoy is nap time. Praise the Lord!

Mommy and Daddy are really enjoying that! She has also started to recognize us (and a few others) and she likes to greet us with some baby giggles. It is such a joy watching her grow and being able to share it with friends and family.

new believers/workers/churches by spending time with them in God's Word and going into the harvest fields. They will also work to **EQUIP** our national leaders and workers with a "next level" training that will allow them to continue the awesome work God is doing in Bolivia. We are praying hard that God would reveal what next steps we need to take in order to see a movement of God in La Paz and the surrounding areas. Please join us in prayer for a few things specific to this journey:

- Ale & Osvi Grundy (they are our national partners who we are hoping to spend LOTS of time training.) Pray they would truly catch the vision and be ALL IN!
- Rick & Ryan to have clear vision for the area and next steps.
- Weather (It's not supposed to be rainy season yet, but it's raining! This could really make it difficult to get to some of the remote areas.)

We are anticipating that this strategic training journey will help us plan for journeys in 2017 and beyond. Keep an eye on GONLGM.ORG for updated journey listings.

Ways We Could Use Your Help ◀

Sharing Relationships. While we are constantly working to raise our full monthly support, we are striving to help anyone and everyone we can to be effective ambassadors and disciple-makers for the Glory of God. We are also asking those on our team if you would prayerfully consider sharing contacts that would be interested in financially partnering with our ministry. We are praying that God will expand our relationships so more people can be involved in reaching the nations through New Life Global Ministries. If you would be willing to refer a contact, please contact us in whatever way is most convenient for you!

Ryan & Abigail

Prayer Requests ◀

- God's leading to Persons of Peace locally
- God's provision through our monthly support team (we are currently unable to fully commit to ministry work due to the added support raising work)
- Blessing on our monthly partners
- God's leading for Journey planning in 2017 & 2018
- Relationships in new areas of work locally and internationally (we are praying hard for God to provide local partners in our area and throughout our country)
- Leading and discernment for Rick and Ryan as they work in La Paz, Bolivia
- Protection for family at home while they are on the field

P.S. We sent out an email update in September. If you didn't see it, take a peek in your junk mail. You can simply drag the email out of your junk mail and it will keep future emails from falling to that folder. If you don't see it anywhere, email ryanmcfarland@gonlgm.org so we can add the correct email to our list!
