

The Harvest Is Abundant... *But It's The Workers That Are Few*

30 years ago, a 19-year-old boy had a dream. One day, he would be an active part of seeing people from all over the world follow and worship Jesus. Today, that vision is becoming a reality (not only for this 49-year-old man, but for the ministry team called New Life Global Ministries). Literally, God is opening one door after another for us to actively be involved in impacting the world with the gospel of Jesus Christ!

Case in point: a few months back, Tracy and I had the privilege of leading a "Multiply Conference" in Dubai, United Arab Emirates. Teaching simple principles from God's Word on what it means to be disciples that make more disciples, we were humbled to spend four days with 120 followers of Christ living in Dubai that were from 30 different nations (you read that right – 30 different nations represented in this one training). As amazing as this time was, it is even more mind-blowing to see what has taken place since then. Under the leadership of a great pastor there, these disciple-makers are preparing to aggressively send people back to their respected nations to put into practice what Jesus commanded: "Follow Me, and I will make you fishers of people" (Matthew 4:19). And New Life Global Ministries has been asked to help lead the way in this strategic work to the world. Absolutely amazing!

As exciting as all of this is, this is just one of the many things that God is doing through NLGM (read the rest of this newsletter to see what I mean). I am so grateful for that vision from heaven so many years ago. It has driven me (and many others) to spend this life for a singular purpose: "Go make disciples of the nations..." until there is NO PLACE LEFT. Thank you for praying for and partnering with us to this end.

Gary Willett
Executive Director

International Missionary Journey Work

A great example of the vision that God has given NLGM is our missionary journey this past May to La Paz, Bolivia. Alongside translators, a team of disciple-makers entered into 5 different villages outside of La Paz to share the gospel and make disciples. They entered these villages with the same instructions that Jesus gave the 70 disciples in Luke 10.

They used simple gospel sharing tools that require only an index card and a pen. Then, they immediately trained new believers to share their faith with others using these simple tools. They spent time discipling them through a Bible discovery method to achieve the goal of helping new disciples learn to discover what Scripture says and then obey. There are plenty of statistics that could be shared, but here is our most important one — of those that committed their lives to follow Jesus, 91.2% had *The Call* (2 Cor. 5:17-21) extended to them and then were trained to know their *Oikos Map* (for sharing the gospel with others). That means all of those new believers were immediately trained as ambassadors for Jesus to go out and multiply.

Two of our Executive Team went back to these villages a few months after this journey to check on the new followers and help them with next steps. They were excited to find a number of them meeting with others in their community, as well as continuing to meet together and studying God's Word. They were also able to hold a "next level" training for partners and translators that we are working with to see No Place Left without the gospel in La Paz!

Can you receive an electronic newsletter? We are working to send more frequent updates through email and send only one paper newsletter each year. National Missionary Journey Work

God has blessed us in so many ways this year with our national ministry partner, School for Life. We saw phase one of the heating system installation completed so the SFL children's ministry can continue during the cold winter months. We also saw the successful build out of the trout farm that helps provide some income for the ministry but also some much needed protein for area residents. Potentially most of all, God has blessed in a spectacular way in the life of a SFL teenager named Cody.

He is a young man who has grown up in McDowell County under unfortunate circumstances. Jack (the leader of School For Life) has taken Cody under his wing and truly disciplined him. Through a series of events, God used NLGM to connect Cody to Shepherd University and, through a previously unused scholarship, he will be attending with tuition and room and board fully paid. We can't wait to see what God has for us as we continue to grow in this partnership.

Local Missionary Journey Work

CAN YOU MAKE A DIFFERENCE IN YOUR COMMUNITY? Just ask Solomon Dunkel.

Back in the spring of this year, a few disciple-makers were prayer walking in his community (downtown Martinsburg, WV) when an initial conversation about following Christ began. Since then, almost weekly follow up visits by several different disciple-makers who are part of NLGM have helped Solomon follow some of the basic Commands of Christ, including "Be Baptized" (see picture of Solomon's baptism celebration at his house). Not only is Solomon a different man, but so are those who have been blessed to walk with him in simple disciple-making. He is a dear brother in Christ that is part of our forever family.

Join Us in Prayer For:

- More followers of Jesus who are willing to be trained and equipped to pursue the vision of No Place Left - knowing Jesus, sharing the gospel, and making disciples
- Wisdom and Discernment on where God wants us to go and where there will be lasting fruit
- The Lord to increase our faith as we approach a new year. Let the size of our faith be representative of the size of our God
- Devoted prayer and financial partners
- Local church partners and believers to finish the task of No Place Left
- International partners to equip, encourage and empower to make multiplying disciples
- Fruitful witness wherever we find ourselves - Here, There, and Everywhere until there is No Place Left

Launch 2017

As we look back on all that God has done in 2016, it is easy to be excited about what He is going to do in 2017 and beyond. We are praying constantly for Him to provide clear direction for every next step while we are making plans to work in North America, South America, Europe, Africa, The Middle East and Asia. As we seek Him through making these plans, one of our major requests is for financial ministry partners who want to invest in the eternal Kingdom. We are currently asking God to raise up partners to launch NLGM further into the nations in 2017. Would you consider being the answer to our prayers by giving an end of year gift to launch 2017? Or would you even prayerfully join us as a monthly ministry partner to see disciples made in all of the nations, until there is No Place Left without the gospel? If so, you can fill out the enclosed form or visit our website to see all of our giving options.

Join The Team

Are you ready for the adventure to begin? Be a part of the NLGM movement by joining one or more of our teams (Go Team, Pray Team, Send Team, Serve Team). For more info on these teams and how to join, visit our website!

Go On A Journey

Every day God uses people to change the world because they were willing to GO and take a step of faith. Be a part of a missionary journey and see what God does in and through YOU! Check out our journey listings on our website.

Give

God is moving all around New Life Global Ministries and we are excited to join in what He is doing throughout all the nations. Fill out and mail the enclosed slip to partner with us financially and see how God uses us to change the world together!
